Dear Friend:

This letter is being sent to each of you with a request that you honor me with your presence in Newark this coming Friday, June 7th at The Grand Hotel, 78 West Market St., Newark, N. J. at 5 P. M.

There is something I am sure you would like to know, which I want to give you first-hand.

Please permit me to payaall expenses connected with the trip. If this day or hour does not suit any of you, let me know when it would be convenient and I will try and get the others to agree to the change.

I will appreciate your acceptance, and feel sure you will not regret coming.

Very truly yours,
